## ACADEMIC MANAGEMENT SYSTEM

MES College of Nursing motivates and support teachers for using ICT for effective teaching with Learning Management Systems (LMS)

- The Syllabus, master rotation plan, Clinical rotation plan, Unit Plans, course content and question banks with key are made available for the students at the very beginning of the academic year.
- ICT enabled teaching methods are employed by the faculty members in class rooms.
- The use of multimedia teaching aids like, Power point slides, LCD projectors, VDO assisted teaching and internet (Wi Fi) enabled computer systems are employed in classroom.
- The electronic resource packages like KOHA, e-consortium digital library are available.
- Various course material is accessible to faculty and students from the server installed in the library.
- Sufficient number of books, Journals, e-journals and e-books are available in the library.
- Seminars, workshops and guest lectures on the new developments in the core subjects for effective teaching and learning are conducted under every department by the faculty members and students.
- Seminar hall is equipped with multimedia facilities.

The college has developed an integrated Academic Management System and comprehensive tool for faculty, students and administrators for smooth execution of curriculum. It is a platform to publish all information pertaining to the courses and extension activities of the institution.
