Memorandum of Understanding (MOU) for development of academic cooperation in nursing education at Krishna Institute of Medical Sciences "Deemed To Be" University's , Krishna Institute of Nursing Sciences, Karad by Maharashtra Education Society (MES), College of Nursing, Lote Parsuram

This Memorandum of Understanding (MOU) made between the Principal, Maharashtra Education Society (MES), College of Nursing, Herein After Referred To Maharashtra Education Society (MES), College of Nursing (Which expression shall, unless excluded by or repugnant to the context, be deemed to include his successor in office

Principal
Maharashtra Education Society's
MES COLLEGE OF NURSING
Institute of Health Sciences,
Ghanekhunt-Lote, Tal. Khed, Dist. Ratnagiri - 415722

[Handwritten signature]

II. Scope

The general objective of this MOU is to stimulate and facilitate the mutual interest in the field of nursing education, research, training and development and dissemination of knowledge. Alongside, recognizing the importance of institutions role in promoting national and international collaboration and increased contribution to social development

III. General Areas of Cooperation

1. The two educational institutions will:

- a) Cooperate in the exchange of information relating to their activities in teaching and research in fields of mutual interests [maternal child health care areas, public health nursing areas and critical care areas, transplant units]
- b) Promote appropriate joint research projects and joint courses of study in the field of mutual interest.
- c) Endeavour to encourage students and staff to spend periods of time in the host Institute/University for the advanced clinical nursing experience.
- d) Conduct study tours, a mutually agreed in writing between the parties prior to commencement of this activity.
- e). Conduct joint faculty development programmes like conferences, workshops and symposia on matters of mutual interest

2. Facilitate the exchange of students

a). Such exchanges may take place for a period normally of one academic year. The academic standing of such students shall be determined by the host Institute/University. Exchange of students will be accorded the rights and privileges of students in the host country in accordance with the regulations of the host Institute/University relating to students and will be admitted under the terms and conditions relevant to the host Institute/University

Principal
Maharashtra Education Society's
MES COLLEGE OF NURSING
Institute of Health Sciences,
Ghanekunt-Lote, Tal. Khed, Dist, Ratnagiri - 415722

- b). Exchange of visiting scholars for the purpose of conducting research. The individual visitors will be responsible for the cost of such accommodation and for their own travel costs.
- c). Exchange scholarly information including research papers, indices to theses, books and magazines on relevant subjects and potential joint projects where possible and appropriate.
- d). Discussion for the exchange of undergraduate and postgraduate students for collaborative or independent research based on the policies of both institutions

IV: Duration

This agreement will take effect from the date of its signing and shall be valid for a three years period from that date unless sooner terminated, revoked or modified by mutual written agreement between the two parties, and may be extended by mutual written agreement. Either party may terminate the agreement at any time during the term by the provision of written notice to the other party.
